

SCHIZOPHRENIA SOCIETY OF ALBERTA

From the Sun Dial in Grande Prairie to City Hall in Lethbridge, and several municipalities in between, we're honored that the below landmarks will be illuminated **purple** in recognition of **World Schizophrenia Day**:

- Edmonton High Level Bridge
- Grande Prairie Sundial
- Lethbridge City Hall
- Calgary Tower
- Red Deer City Hall

Watch for this beautiful symbolism of support throughout our province for those affected by schizophrenia!
